SKILLS

- **Languages:** C++, Java, JavaScript
- **Frameworks:** React.js, Node.js, Angular, Tailwind
- **Tools/Platforms:** MySQL, Figma, MongoDB
- **Soft Skills:** Problem-Solving Skills, Project Management, Adaptability

PROJECTS

- **Banking Management System:** 01/2025–02/2025
Designed and developed a robust Banking Management System using Core Java, providing secure and efficient financial transaction management. Implemented key features such as account creation, deposits, withdrawals, fund transfers, and transaction history tracking. Integrated MySQL as the database for reliable data storage and used JDBC for seamless connectivity. Ensured data integrity, security, and optimized performance through exception handling.
Tech: Core Java, MySQL, JDBC
- **Mern Stack Ecom Store:** 09/2024–11/2024
-Developed a full-featured e-commerce store using the MERN stack, delivering a seamless shopping experience with modern UI/UX. Implemented key functionalities such as product listing, filtering, user authentication, cart management, and secure checkout. Integrated MongoDB for scalable data storage, Express.js and Node.js for a robust backend, and React for a dynamic frontend. Optimized performance and security with JWT authentication, API validation, and responsive design for a smooth user experience across devices.
Tech: React.js, Node.js, MongoDB, Express.js
- **Blood Donation** 08/2024–08/2024
Developed an efficient blood donation website where donors can register and update their availability, allowing patients to search and contact them directly within their city, without intermediaries.
The platform integrates MySQL for secure storage and efficient management of donor efficient management of donor and patient data, ensuring fast and reliable searches
Tech: Html, PHP

CERTIFICATES

- Mastering Data Structure & Algorithms using C++ (Udemy)
- The World of Computer Networking (Udemy)
- Building Web Applications in PHP(Coursera)
- Introduction to Generative AI, Google Cloud (Coursera)
- Cyber Security and Privacy (Nptel)

EDUCATION

- **Lovely Professional University** Punjab, India
Bachelor of Technology - Computer Science and Engineering; CGPA: 7.12 Since August 2022
- **Tribhuvan Devi Academy** Uttar Pradesh, India
Intermediate; Percentage: 69.40% April 2020 - March 2021
- **Tribhuvan Devi Academy** Uttar Pradesh, India
Matriculation; Percentage: 77.80% April 2018 - March 2019
